

# SIGNING UP TO THE BANJO'S APP

## Guide for existing ViP Members

To link your ViP Account to the Banjo's App, **you must complete the SIGN UP FORM on the App.**

If you try to sign in before signing up to the App, it won't recognise your ViP details as it has not yet been linked.

Once you click the SIGN-UP button, a form will appear (see next page).

Please fill in the entire form ensuring that the email and card details you enter matches your existing ViP account.

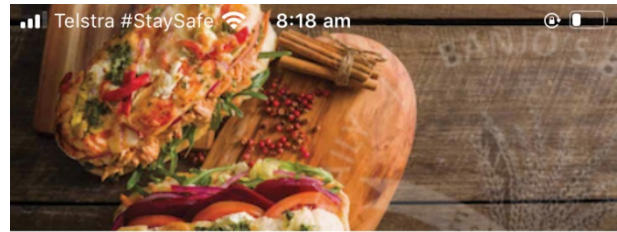

**If you are unsure about your account details** (email or ViP card/membership details), please contact the Banjo's Support Team to look up your information. Email [vip@banjos.com.au](mailto:vip@banjos.com.au) or phone 03 6210 5000 between Monday to Friday (9am – 5pm).

## What if I can't remember my password?

No worries at all - just enter in a NEW password when filling out the form.

Once you submit the form, your password will be updated to the one you entered!

**Note:** If you try to reset your password before signing up to the App, it won't recognise your ViP details as it has not been linked yet. So don't click the Forgotten Password link, enter a new password via the sign up form instead!
